

Opinium Research Results/ Tables **August 2013**

1,947 Online Interviews (GB Nat. Rep)

1,653 Likely Voters

Field: 20th to 23rd August 2013

If the Base is not otherwise specified, the table is based on the full sample and is representative of all GB adults

Where column base is below 50 respondents, figures should be seen as indicative only and we advise against using these when reporting unless appropriate caveats are given

To ensure a nationally representative sample, Opinium weights data to match the following criteria:

If one of the following were hypothetically to be built / take place in your local area, would you be in favour or opposed to each one?

Please assume, for the purpose of this question, that the area where you live is suitable for each of the below and that in each case only the action specified is taking place rather than more than one taking place at once.
