

Admissions to AGE
Opinium Healthcare Team

Omnibus

Opinium Research Results / Tables 21 August 2015

2,003 Online Interviews (UK Nat. Rep)

Field: 21st to 24th August 2015

If the Base is not otherwise specified, the table is based on the full sample

Where column base is below 50 respondents, figures should be seen as indicative only and we advise against using these when reporting unless appropriate caveats are given
