

Opinium Research Results / Tables February 2014

1,946 Online Interviews (GB Nat. Rep)

1,663 Likely Voters

Field: 25th to 28th February 2014

If the Base is not otherwise specified, the table is based on the full sample and is representative of all GB adults

Where column base is below 50 respondents, figures should be seen as indicative only and we advise against using these when reporting unless appropriate caveats are given

To ensure a nationally representative sample, Opinium weights data to match the following criteria:
